NexaNova Technologies

Product Catalogue and Demo Pricing | Fictional Demo | Version 1.0

1. NovaDesk — Customer Support Workspace

Purpose: centralize customer conversations, ticket assignment, and service metrics. Starter plan: ■1,499 per agent per month. Growth plan: ■2,499 per agent per month. Enterprise: custom quote. Plans are billed monthly for this demo.

2. NovaFlow — Workflow Automation

Purpose: automate approval flows, notifications, and repetitive operations. Basic plan: ■2,999 per workspace per month, including up to 10 active workflows. Business plan: ■6,999 per workspace per month, including up to 50 active workflows. Additional workflow capacity requires a custom quote.

3. NovaInsights — Analytics Dashboards

Purpose: create operational dashboards and scheduled reports. Team plan: ■3,499 per workspace per month, including 5 dashboard editors. Scale plan: ■7,999 per workspace per month, including 20 dashboard editors. Read-only viewers are included in both plans.

4. Implementation Services

Remote onboarding package: ■15,000 one-time. Advanced integration package: starting at ■40,000 one-time. Final scope and price are confirmed after a discovery call.

5. Discounts and Billing

• Annual prepayment discount: 10% on eligible subscription fees.

• Non-profit discount: up to 15%, subject to approval and verification.

• Discounts cannot be combined unless a written offer explicitly permits it.

• Prices in this document are fictional demo prices, shown in Indian rupees (INR), and exclude applicable taxes.

6. Frequently Asked Pricing Questions

• Q: Does NovaDesk Starter include automation? A: It includes basic ticket rules; advanced multi-step workflows require NovaFlow.

• Q: How much is NovaFlow Business? A: ■6,999 per workspace per month before applicable taxes.

• Q: Is annual prepayment discounted? A: Eligible subscriptions receive a 10% discount when paid annually.

• Q: How much is remote onboarding? A: ■15,000 one-time in this demo catalogue.

7. Quote Validity

Demo prices are illustrative and do not constitute a commercial offer. In a real sales process, a written quotation would specify scope, taxes, payment terms, and validity period.
